

Dump Operator

Unload the correct open containers on the dump or belted trailers in a manner that is safe, efficient and causes the least amount of damage to the product. Take directions from the Grading Line Lead. Adhere to personnel and food safety guidelines. Achieve time goals set for each task. Monitor conveyor belts for condition, tracking properly, hydraulic leaks, and noticeable issues with trailers. Shovel loose potatoes on dumper to conveyor belt, pick up loose potatoes on ground and place in trash bins, and keep dirt and loose potatoes cleaned up around Dump Conveyor, Even Flow and Incline Conveyor.
